Mr. Fife,

I'll be rolling out of Denver first thing and should arrive just after lunch.

We have the flooding in Minot brewing and folks here want me back by the weekend.

That said, we should be able to accomplish the goals that Eric has laid out and I look forward to working with you.

I will call when I get close.

M

Subject: Logistical Info for Las Conchas Wildfire response

Greg is staying at the [Hilton Santa Fe Golf Resort and Spa](#) and his number is 214-789-2879.

The address of the State Emergency Operations Center is 13 Bataan Blvd
Santa Fe, NM 87508

The crossfunding for the site travel is:

Org. Code - GEPAR06SF

Account Label - 11Superfund Crossfund

accounting string:
11 T 06L 302DC6C A6BJRS00

Thanks Marty!

Greg, Please send Marty the contact names for DOE and NM that he needs to work with to iron out the data management plan. I believe Mike Ortiz is the contact for NM and I didn't hear anyone step up for DOE

Thanks!
